

ARE YOU WANT TO ORGANIZE "SKILL YOGA"?

ABOUT EVENT

Skill Yoga is an initiative DKranti empowered by OXO Solutions® to crystallize the government's idea of Skill India. Skills form the backbone of all mission and a country can only grow if its workforce has the best of technical, industrial and soft skills. As a prominent leader in IT services, digital and business solutions we partner with universities to help graduate students gaining the practical skill through seminars and workshops. Demand for IT workers outpasses the supply, mainly due to lack of practical knowledge. With Skill Yoga program, our goal is to address the issue of skill gap in the country.
